

COLORADO FOOTBALL GUIDE 1965

THE UNIVERSITY OF COLORADO

Authorized by an act of the first territorial legislature in 1861 and opened on Sept. 5, 1877, the University of Colorado is located at Boulder, 27 miles northwest of Denver via a new four-lane turnpike.

DR. JOSEPH R. SMILEY
President,
University of Colorado

The enrollment on the Boulder campus has grown from an original 44 in 1877 to an expected 14,400 in 1965, with an additional 13,000 students studying at the Medical Center (Denver campus) and at the Denver, Colorado Springs, and Grand Junction centers.

Although the main campus in Boulder is located far inland, at the foot of the rugged Rocky Mountains, its students come from all over the world. Every state in the union is represented in the student body, along with 38 foreign countries and all U.S. possessions.

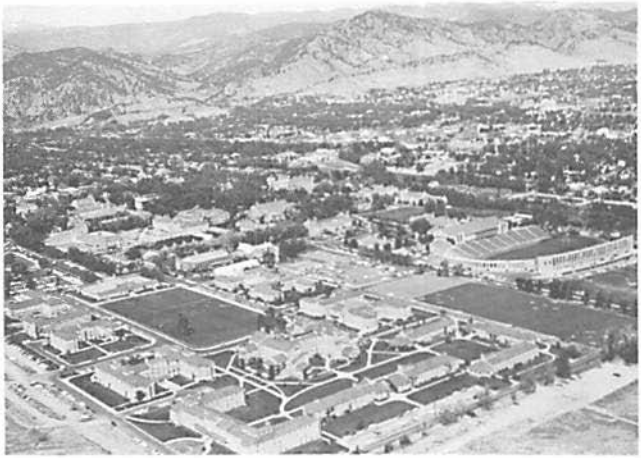

The campus setting and its beautiful architecture are major attractions, but the main attraction for students is the academic atmosphere. In Boulder the West blends not only with the East but with the whole world. Like the other big universities in the Rocky Mountain area, the University affords a refreshing, lively academic approach to courses and research.

The University of Colorado is composed of 12 schools and colleges, and a student can major in any one of 120 fields. The schools and colleges are: Architecture, Arts and Sciences, Business, Education, Engineering, Graduate, Journalism, Law, Nursing, Medicine, Music, and Pharmacy.

Dr. Joseph Smiley succeeded Quigg Newton July 1, 1963 to become the University's ninth president. Dr. Smiley had been president of the University of Texas since 1961 and previously had served as its vice president and provost. From 1958 to 1960 he was president of Texas Western College. Newton, who had been president since 1956, resigned to accept the presidency of the Commonwealth Fund of New York.

The University is governed by an independent board of six elected regents, the President, and the Faculty Senate.

In keeping with its cosmopolitan atmosphere and its sense of responsibility to the community, the University provides facilities and sponsorship for a broad range of student activities. In addition, the student governing body, Associated Students of the University of Colorado, is extremely active and influential. The students also publish their own yearbook and daily newspaper.

FOLSOM FIELD

HOME OF THE BUFFALOES

Swelled to a 45,000 capacity by a 15,000-seat addition completed in time for the 1956 season, Colorado's Folsom Field is one of the largest football stadiums in the Big Eight Conference and largest in the Rocky Mountain region.

Built originally in 1924 the stadium was in a natural bowl with a capacity of 30,000. The addition projects above ground level in a design of modified Italian Provincial architecture in keeping with the other campus buildings.

Basic structure of the addition is entirely of steel—approximately 1,000 tons—resting on 350 concrete caissons which are carried to bed rock, in some cases 30 feet below the surface of the ground.

The entire seating deck of the addition, which runs above most of the east side and around the south horseshoe to the fieldhouse, is of heavy steel plate with all joints welded. More than 50,000 board feet of redwood were used in the seats. More than 750 tons of native sandstone and 75,000 face brick were used in the exterior facing.

Usable space below the addition, involving approximately 130,000 square feet of floor area, provides offices and classrooms for the athletic department, Naval, Air Force, and Army ROTC units, all University shops, printing services and the Physical Plant Department headquarters.

Construction of the addition was begun in June, 1955, and completed in February, 1957, at a cost of approximately $1,250,000.

The original stadium was completed and first used Oct. 11, 1924, when Colorado defeated Regis of Denver, 39-0. It is named for Prof. Frederick G. Folsom, football coach at Colorado for 15 years in a span extending from 1895 until 1915. Folsom is called the "father of Colorado football."

THE PRESS BOX

Colorado's press box is now in its 12th year of use. Built in 1954 and located against the fieldhouse above the west stands, it's a 3-level affair with the top deck used by photographers, the middle deck by radio and television, and the lower deck by writers and scouts.

The middle level includes six radio booths, a large television area, plus booths for the two teams and the public address announcer. A lunch stand is located in the fieldhouse balcony inside the main entrance to the box. Entrance to the box is made through the west balcony of the fieldhouse.

Functional rather than fancy, the Buffalo press box has been awarded facility and service citations by the Football Writers Association of America.

THE PRE-SEASON

General Outlook

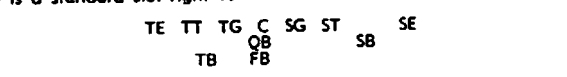

Colorado football will continue to improve in 1965 as Coach Eddie Crowder fields two of his own classes in a continuation of his rebuilding program. This will be an extremely young squad. Only 9 seniors are on the roster and approximately 60 percent of the candidates are sophomores. While a good core of 17 lettermen returns, a good portion of the expected improvement rests with the rookies. As these youngsters acquire experience the Buffaloes should get better. There was good competition at all positions during the spring, a healthy sign indicating the depth and quality will be improved at nearly every post. Inexperience will be especially noticeable in the center of the line where Buffs have lost 9 lettered guards and tackles. This is easily the most critical problem area going into the fall. Best-manned positions appear to be halfbacks and fullback where there are very promising blends of veterans and newcomers. Over-all, Colorado in 1965 should again be tough defensively with more offensive potential than a year ago.

Crowder's Pre-Season Comment

Says Coach Eddie Crowder: Our squad worked very hard last spring and made progress, but not as much as we had hoped. This was due in large part to the fact that ours is a very young squad. We'll have nearly 60 percent sophomores this fall. Consequently we'll have to bear down in our September workouts. We feel, however, that our squad will be improved in that we will have more manpower and our sophomore group includes several players who will develop, with experience, into sound college football players.

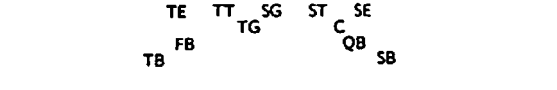

The Offense

Coach Eddie Crowder labels his offense a "Switching T." It features a slotback to either side with the line switching so that the same linemen are always on the slot side. These linemen are called slot guard, slot tackle, and slot end (the split end). The opposite-side linemen are called T-guard, T-tackle, and T-end. The halfback (running back) is called the T-back. This nomenclature is based on the fact that the alignment offers a slot offense to the slot side and a Split T threat to the opposite side. Here is a standard slot-right formation:

The Defense

Colorado's basic defense will be a 5-4-2 alignment, like this:

Letterman Facts and Figures

Colorado returns 17 of 29 men who lettered last fall, in this order: 6 starters, 7 alternates, 3 third teamers, and 1 fourth teamer. Among the 12 non-returnees were 9 guards and tackles.

Here is the way the CU lettermen lined up at the end of the 1964 season (returnees in bold face):

TE ***Sam Harris, **Dick Taylor.**
TT ***Bill Sabatino,** ***Tom Lund, ***Kirk Osborn.
TG ***Tim Monczka, ****Frank Van Valkenburg,** **Bob Cortese.
C ****Steve Sidwell,** ****Larry Ferraro.**
SG ***Jack Parmater, ***Tom Kresnak, ***Dick Mankowski.
ST ***Stan Irvine, **Jerry McClurg.
SE ****Ray LeMasters, *Bill Fairband.**
QB ***Bernie McCall, *Hale Irwin, **Frank Rogers.**
TB ***George Lowark, *Estes Banks, *Robert Lee, *Dave Peercy.**
SB ***Bill Symons, ***Ted Somerville.
FB ***Ben Howe, ***John Marchiol, *Mike Martin.**

*Major letter.

BUFFALO BREAKDOWN

CU Will Platoon This Fall

In line with the new substitution rules, Colorado will switch to offensive and defensive platoons this fall. There is a possibility, however, that some of the top hands will see spot action on the platoon other than the one they play on regularly. For example, a fine all-around performer such as Sam Harris could play full time defensively and, occasionally, on offense.

Here were the 2-deeps at the conclusion of spring practice (sophomores in CAPS and lettermen in bold face):

OFFENSE:

TE	****Dick Taylor,** TOM GASSAWAY.
TT	xRich Redd, VIC HOKANSON.
TG	#John Beard, xDon Huebsch.
C	****Larry Ferraro,** STEVE FENTON.
SG	KIRK TRACY, xEd Howell
ST	xLee Hammett, BILL CSIKOS.
SE	***Bill Fairband,** MIKE VEEDER.
QB	***Bernie McCall,** xDan Kelly.
TB	LARRY PLANTZ, WILLIAM HARRIS.
SB	JOHN FARLER, xLarry Fischer.
FB	WILMER COOKS, DICK O'DELL.

*Major letter. x-Redshirted last fall. #-Transfer.

Offensive Analysis:

Tackles and guards unproven and ends only fair. The offensive line should improve with experience, though. Backfield very promising. McCall and Kelly are capable quarterbacks. Soph halfbacks Plantz, Farler, and Harris are good runners. Speedster Estes Banks, who missed spring practice to run the sprints in track, will add zip to the T-back position. Rookie Cooks is outstanding young fullback prospect.

DEFENSE:

LE	***Sam Harris, *Mike Martin.**
LT	***Bill Sabatino,** xLarry Donley.
MG	xRon Scott, KILE MORGAN.
RT	****Frank Van Valkenburg,** FRANK BOSCH.
RE	****Ray LeMasters,** #Bill Heydt.
LLB	KERRY MOTTL, BRUCE HEATH.
RLB	****Steve Sidwell,** Dennis Drummond.
LH	***Robert Lee,** TOM CORSON.
RH	CHARLES GREER, Terry McCarthy.
LS	***John Marchiol,** Steve Graves.
RS	DICK ANDERSON, DAVE BABBS.

*Major letter. x-Redshirted last fall. #-Transfer.

Defensive Analysis:

Defense should be tough with majority of veterans assigned to this unit. Ends Harris and LeMasters are solid collegians. Sabatino is strong tackle and Van Valkenburg is tough though small. . . . Bosch, a big sophomore, should bid strongly for starting job with experience. Sidwell is fine veteran linebacker and Mottl is very promising soph. Secondary should be strong with fine sophs Greer and Anderson combined with veterans Lee, Marchiol, plus lettermen George Lewark and Hale Irwin who missed spring work because of participation in other sports.

Positional Switches

Mike Martin, who lettered as reserve fullback last fall, was moved to defensive end last spring. He had worked as an end in pre-season last fall. Two promising rookies were involved in line switches last spring. Kile Morgan, a linebacker last fall on frosh team, was moved to defensive middle guard while Steven Fenton went from defensive end to offensive center.

1st Game

WISCONSIN

at Madison, Sept. 18

MILT BRUHN
Head Coach

Location: Madison, Wisc.
Nickname: Badgers.
Colors: Cardinal and White.
Enrollment: 26,293.
Stadium: Camp Randall (63,435).
Conference: Big 10.
Athletic Director: Ivan B. Williamson.
Sports Information Directors: Jim Mott and George Lanphear (608, 262-1812)
Offense: Straight-T.

OUTLOOK: Improved. Badgers should be better this fall after disappointing, injury-plagued 1964 campaign. This should be a real tough defensive team with six starters back. Wisconsin will have an experienced secondary, a tough middle guard in Mike London, and a fine linebacker in Bob Richter. The defensive line looks especially tough. Offensively, the Badgers return only two starters but will have Quarterback Charlie Burt, a highly regarded youngster to direct the attack. Burt missed last season because of illness. Halfback Tom Jankowski (118 yards in 42 carries last year) heads returning backs.

LETTERMAN SITUATION: Returning, 17, including 2 offensive and 6 defensive regulars. Lost, 20, including 9 offensive and 5 defensive regulars.

TOP RETURNEES: Capt. Dave Fronek (last fall's top defensive back), E Louis Jung (top receiver with 11 for 121 yards last fall), LBs Bob Richter and Tom Brigham, Defensive Ends Rodger Alberts and Eric Rice, and G Mike London.

TOP NEWCOMERS: Offense: G John Roedel, E Bill Fritz, HB Dennis Lager. Defense: LB Dave Aegerter, E Kent Seery, HB Dick Schumitsch.

1964 RECORD: 3-6-0 (tied for 7th in Big 10 with 2-5-0).

FRESNO STATE

in Boulder, Sept. 25 (Band Day)

PHIL KRUEGER
Head Coach

Location: Fresno, Calif.
Nickname: Bulldogs.
Colors: Cardinal and Blue.
Enrollment: 8,400.
Stadium: Ratcliffe Stadium (14,000).
Conference: CCAA.
Athletic Director: Cecil Coleman.
Sports Information Director: Ed Piston (209, 222-7194)
Offense: I-formation.

OUTLOOK: The Bulldogs, after a rebuilding year, will be a dark horse in their conference. There is better speed this fall and marked improvement defensively, especially from tackle to tackle where the depth is much better. All-Coast center Paul Warkentin returns to lead the line while all-league tailback Dave Plump heads the returning backs. Several junior college transfers, including QB Danny Robinson, will occupy important roles. The Bulldogs look sound with a fleet crew of backs operating behind a solid line.

LETTERMAN SITUATION: Returning, 15, including 12 regulars. Lost, 12, including 7 regulars.

TOP RETURNEES: C Paul Warkentin, TB Dave Plump, SE Walt Yarbrough.

TOP NEWCOMERS: QB Danny Robinson, T Richard Lowe, LB Lincoln Marini, G Jewett Gibson.

1964 RECORD: 4-6-0.

KANSAS STATE

at Manhattan, Oct. 2

DOUG WEAVER
Head Coach

Location: Manhattan, Kans.
Nickname: Wildcats.
Colors: Purple and White.
Enrollment: 10,000.
Stadium: Memorial Stadium (22,500).
Conference: Big 8.
Athletic Director: H.B. (Bebe) Lee.
Sports Information Director: Paul DeWeese. (JEfferson 9-2211, x 213).
Offense: T with variations.

OUTLOOK: A bigger squad in both numbers and size offers the Wildcats prospects for improved line play, and a pair of strong-armed quarterbacks sparks hopes for a stout running game. But a distinct sophomore tinge—the squad runs about two-thirds new men—and lack of an explosive offense are major worries. The defense should be strong with most of the proven veterans specializing here. The offense will depend upon new men. 1964's 6 top rushers and 6 top receivers are gone. Rookie QBs Vic Castillo and Mike White are good passers. Another big loss is Doug Dusenbury, 2-time Big 8 punting champ.

LETTERMAN SITUATION: Returning, 21, including 8 of last fall's defensive regulars and 3 from the offensive unit. Lost, 14, including 3 defensive and 8 offensive starters.

TOP RETURNEES: Bill Matan, 231-pound All-Big 8 end; QB Ed Danieley (hit 36 of 79 passes for 358 yards last fall); Ts Willie Jones and Warren Klawiter; G Mike Beffa; HB (def) Jim Grechus.

TOP NEWCOMERS: QBs Vic Castillo and Mike White; HB Jim Wallace (fastest man on squad); E Art Strozier; LB Steve Overton; HB Roy Smith.

1964 RECORD: 3-7-0 (tied for 5th in Big 8 with 3-4-0).

1964 MEETING: Wildcats won their first game in Boulder, 16-14, leading 16-0 late in third period and hanging on for the triumph. Both teams played raggedly, CU losing 5 of 9 fumbles and KSU 4 of 5. 'Cats scored first TD after recovering CU fumble at Buff 8, then got field goal after covering another CU fumble at midfield to lead 9-0 at half. They drove 62 yards with third quarter kickoff for final TD. CU then came back with 36-yard TD burst by Banks and 87-yard drive late in game but Wildcats controlled ball for last 4:38 after that. CU led in first downs 18-10 and total yardage 229-189.

OKLAHOMA STATE

in Boulder, Oct. 9

PHIL CUTCHIN
Head Coach

Location: Stillwater, Okla.
Nickname: Cowboys.
Colors: Orange and Black.
Enrollment: 12,547.
Stadium: Lewis Field (40,000).
Conference: Big 8.
Athletic Director: Henry P. Iba.
Sports Information Directors: Otis Wile and Pat Quinn (FRontier 2-6211, x 561).
Offense: Wing and Slot T.

OUTLOOK: Quantity has improved but the big question is the quality of the available talent. Defensive interior line should be excellent, linebacking about the same and more experience in the defensive secondary. There could be problems in the offensive line but the offensive backs, led by the Big-8's leading ground gainer last year, fullback Walt Garrison, should be better. Newcomers will exert pressure on starters which should improve the team but the last year's record of 4-6 might be difficult to beat with five bowl teams on the 1965 schedule.

LETTERMAN SITUATION: Returning 20, including 7 defensive regulars and 10 offensive regulars. Lost 7, 5 of them regulars. Platooned last year and will do the same in 1965.

TOP RETURNEES: Offense: FB Walt Garrison, QB Glenn Baxter. Defense: T Rusty Martin, G Hugh McCrabb, G Charley Harper, T Dennis Randall, LB Leon Ward.

TOP NEWCOMERS: Defense: E Keith Sullivan, E Doug Cathey, T John Matlock, T Ken Blackburn, G Jim Goodwin, G Gerald Lewis, C Verne Miller, FB Bobby Booth, HB John Cook and HB Harry Cheatwood. Offense: E Denny Krout, E Ken McSwane, T Richard Madison, G Maina Atafua, QB Buddy Burris, HB Tommy Boone, FB David Keck and HB Bob Phillips.

1964 RECORD: 4-6 (tied for 5th in Big 8 with 3-4-0).

1964 MEETING: Cowboys, stung by CU touchdown which gave Buffs 10-7 third period lead, drove 65 yards with the following kickoff to score then repelled two CU threats in fourth quarter to win 14-10. OSU scored first when Symons muffed punt at CU 14 and OSU pursuers chased ball into end zone and recovered it for TD. Rogers kicked 28-yard FG for Buffs midway in second period. CU drove 57 yards with Irwin diving last yard for go-ahead TD. But Cowpokes, with Glenn Baxter and Walt Garrison doing the key work, came right back to win. CU reached the OSU 32 and 9 in fourth period but stalled at those points. Final statistics showed Buffs with 19-7 lead in first downs and ahead 287-169 in total offense.

IOWA STATE

in Boulder, Oct. 16 (Homecoming)

CLAY STAPLETON
Head Coach

Location: Ames, Iowa.
Nickname: Cyclones.
Colors: Cardinal and Gold.
Enrollment: 14,000.
Stadium: Clyde Williams Field (24,000).
Conference: Big 8.
Athletic Director: Gordon Chalmers.
Sports Information Director: Harry Burrell (231-3731).
Offense: Wing T.

OUTLOOK: Improved, following disappointing 1-8-1 record last fall. Depth will be better but Cyclones will have to use several rookies in starting roles as they switch to platoon football. Speed will be good, size fair, and experience good with 20 lettermen back. Whether or not the Cyclones will be improved enough to take a big step back up the Big 8 ladder is a big question. They'll probably be spoilers rather than contenders this fall as the youngsters gain experience.

LETTERMAN SITUATION: Returning, 20, including 5 regulars (but only RH Ernie Kennedy is still playing the same position). Lost, 14, including 7 men who saw regular duty.

TOP RETURNEES: TB Tony Baker, Ts Wayne Lueders and Sam Ramenofsky.

TOP NEWCOMERS: T Larry Brazon, G Bill Brooks, TB Leslie Webster, FB Willie Robinson—all highly regarded freshmen last fall.

1964 RECORD: 1-8-1 (8th in Big 8 with 0-7-0).

1964 MEETING: CU tallied twice in first 20 minutes, once on long drive and second on a brilliant individual play, and made these scores hold up for 14-7 win. Lee and Symons ran effectively to spark 76-yard TD drive with opening kickoff. On third play of second period, Somerville intercepted IS pass and returned it 93 yards to the 4 to set up McCall's 3-yard TD dive. In between these, Cyclones scored on 39-yard march and the two teams battled scorelessly for the final 40 minutes with three CU scoring bids repulsed by Iowa State. Buffs had 16-9 first down edge and out-offensed Cyclones 244-140.

Conference: Big 8.
Athletic Director: Tippy Dye.
Sports Information Director: Don Bryant (477-8711, x 2271-72).
Offense: Multiple T.

OUTLOOK: Improved, offensively and defensively, over last year's championship team. Current Cornhuskers have tough act to follow, however, and may not reach last fall's 9-1 regular season record. NU will make solid defense of Big 8 crown with formidable core of excellent veterans and good group of newcomers. Nine regulars return from last fall's defensive unit which led Big 8 in every department and ranked 2nd in nation on total defense. Offensively, there is solid quarterback crew to lead the attack. NU's 1964 frosh team was undefeated and the new men will help in the building of another potent Nebraska team.

LETTERMAN SITUATION: Returning, 25, including 6 offensive and 10 defensive regulars. Lost, 14, including 5 offensive and 2 defensive starters.

TOP RETURNEES: Defense: T John Strohmyer, who was great in Cotton Bowl loss; G Walt Barnes and E Freeman White, both All-Big 8. Offense: QBs Bob Churchich and Fred Duda, All-Big 8 E Tony Jeter, HB Harry Wilson, FB Frank Solich.

McCall lost fumble at CU 9 late in third period and Huskers made it 13-3, then iced game with 80-yard drive in fourth. NU dominated statistics, 17-2 in first downs and 299-51 in total offense.

GOMER JONES
Head Coach

Nickname: Sooners.

Enrollment: 13,500.
Stadium: Owen Field (61,826).
Conference: Big 8.
Athletic Director: Gomer Jones.
Sports Information Director: Harold Keith (JEfferson 4-4491).
Offense: Slot T.

OUTLOOK: Rebuilding, with good base of 20 lettermen. Oklahoma hopes to build a respectable team in which many positions will be manned by new players. Sooners should improve with experience. Graduation losses included 4 top tackles, 3 top ends, 2 fine guards, a center, and 3 starting backs. Coach Gomer Jones says, "Our problem is to develop players to replace our 20 departed seniors. A lot depends upon the improvement of people who didn't play much last year plus our sophomores."

LETTERMAN SITUATION: Returning, 20, including 5 offensive and 5 defensive regulars. Lost, 20, including 12 regulars.

TOP RETURNEES: G Carl McAdams, one of nation's finest linebackers, Gs Jim Riley and Carl Schreiner.

TOP NEWCOMERS: John Koller, defensive end; Ron Shotts, offensive halfback.

1964 RECORD: 6-3-1 (2nd in Big 8 with 5-1-1).

1964 MEETING: Sooners used two breakaway plays for all their scoring in hard-fought 14-11 win as Buffaloes came close but couldn't cash in on three early scoring opportunities. Sooners exploded Rentzel 40 yards for TD after Rogers had missed CU FG try from 30. Buff drives stalled at OU 2 and 6 late in second period. Rogers kicked 31-yard FG in third quarter but Shields made it 14-3 with 57-yard punt return early in fourth. CU then drove 76 yards with Howe scoring from 1 but Buffs couldn't get possession again. CU had 18-13 first down edge and out-offensed Sooners 276-220.

Stadium: Memorial Stadium (55,000).
Conference: Big 8.
Athletic Director: Don Faurot.
Sports Information Director: Bill Callahan (Gibson 9-9475).
Offense: Wing T.

OUTLOOK: Good, assuming crippled halfbacks Charlie Brown and Ken Boston are ready to go. Both had severe spring injuries —Brown, a damaged knee requiring surgery; Boston, a dislocated hip. Tigers return virtually all departmental leaders on offense with regular 1964 backfield intact. Majority of veterans will be spotted on defensive unit with T Bruce Van Dyke and G Bill Powell anchoring seasoned line and LB Rich Bernsen and HBs John Roland and Boston in secondary. Major problems include restocking offensive line to replace 5 departed regulars and improving a passing attack which yielded 16 interceptions last fall.

LETTERMAN SITUATION: Returning, 18, including 6 offensive and 8 defensive regulars. Lost, 18, including 5 offensive and 3 defensive regulars.

TOP RETURNEES: QB Gary Lane, HB Charlie Brown, HB John Roland, T Bruce Van Dyke, G Bill Powell, HB Ken Boston.

in Boulder, Nov. 13

JACK MITCHELL
Head Coach

Location: Lawrence, Kans.
Nickname: Jayhawkers.
Colors: Crimson and Blue.
Enrollment: 15,000.
Stadium: Memorial Stadium (45,000).
Conference: Big 8.
Athletic Director: Wade Stinson.
Sports Information Director: Phil "Scoop" Dynan (864-3417).
Offense: Open I and Multiple T.

OUTLOOK: Fair. Jayhawkers will be deeper than a year ago although key losses such as All-American HB Gale Sayers, T Brian Schweda, G Ron Marsh, HB Gary Duff, and FB Ron Oelschlager will be difficult to replace. Strongest position will be ends; weakest, tackles. Speed will be average. Defense must improve over last year's. Offense will show better passing. Kicking game better, too. Mike Johnson heads the running backs and is a gifted runner. QB Bob Skahan, a fine rookie last year, should be even better this fall. E Mike Shinn and G Dick Pratt are solid linemen.

LETTERMAN SITUATION: Returning, 26, including 10 of last fall's top 22 plus Mike Shinn and Dick Pratt who were injured most of the year. Lost, 15, including 7 regulars.

TOP NEWCOMERS: E Sandy Buda, HB Gerald Poore, E John Miller, T Brent Daggett, HB Levi Lee, E Mike Sweatman.

1964 RECORD: 6-4-0 (3rd in Big 8 with 5-2-0).

1964 MEETING: A CU backfield mixup on a punt attempt led to Kansas' winning field goal as the Jayhawks lost the statistical battle but edged the Buffaloes, 10-7. It was 7-7 at the half after the Buffs marched 72 yards with the opening kickoff, scoring on a 9-yard McCall-Harris pass. After stopping CU at its 18 on the Buff's next possession, Kansas punched out an 82-yard scoring drive. On the opening series of the third period, CU's Harris, back to punt, couldn't get it away when a Buff blocker backed into his path, elected to run and was stopped at the line of scrimmage, the CU 28. Seven plays later, KU's Duff booted winning FG from the 23. CU penetrated deep into KU territory three times in fourth period but Buffs were thwarted by an end zone fumble and two pass interceptions. Buffs had 16-11 edge in first downs and 282-202 in total offense.

Conference: None.
Athletic Director: Col. Edmund A. Rafalko.
Sports Information Director: Bob Peck (472-2313).
Offense: Wing T.

OUTLOOK: Falcons face tremendous rebuilding job with only 9 returning lettermen. The line will be especially green. However there is great promise among the sophomore linemen who, as a group, have more size than any previous one. QB Paul Stein will anchor a solid, veteran backfield. All is not bleak with the Falcons in view of the encouraging youngsters on hand. If they learn their lessons well, with experience this team could develop into a solid one by season's end.

LETTERMAN SITUATION: Returning, 9, including 4 offensive and 2 defensive regulars. Number lost unavailable because of policy.

TOP RETURNEES: Offense: QB Paul Stein, Gs Don Heckert and Scott Jackson. Defense: Backs Jeff Jarvis and Lloyd Duncan.

1964 MEETING: Buffaloes detonated three long kick returns which paved way for 28-23 upset of Falcons. Teams exchanged first quarter scoring drives and AFA moved ahead 10-7 early in second before Somerville returned punt 54 yards to AFA 21 to set up TD which gave CU 14-10 half-time lead. Lewark's 51-yard punt runback to the 17 led Buffs to 21-10 lead. After Falcons came back to score, Symons sped 91 yards with kickoff to give Buffs lead which they held in the face of a furious AFA closing aerial attack. Falcons had 22-8 first down edge and whopping 412-170 total offense lead but CU had 292 yards in kick returns.

BEHIND THE CU SCENE

BUSINESS MANAGER WILLIAM C. LAM

The man who heads the "headache" department is one of Colorado's all-time athletic greats, William C. "Kayo" Lam. He earned seven letters in football, track and wrestling and was one of the finest backs ever to play for the Buffaloes. He was the school's first player to be named to the Shrine East-West game, playing in the 1936 game. Lam served as freshman coach, varsity assistant and head wrestling coach before taking over as athletic business manager. He has been with the University ever since his graduation in 1936. He's a native of Glenrock, Wyoming.

TICKET MANAGER DICK CHRISTOPHER

Dick Christopher was added to the Colorado athletic business staff in August, 1957, as assistant to the business manager. His addition was a needed one in view of Colorado's accelerated athletic program, and the 1942 Colorado graduate has done an excellent job. A native of Boulder, Christopher has a degree in accounting. He worked at Colorado previously (1949-52) as Financial Manager of Non-Athletic Student Activities. Before re-joining the University staff he was engaged in private business in Boulder and Denver. Christopher is married and the father of two children: Steve, 20, and Amy, 17.

TRAINER LLOYD WILLIAMS

Lloyd D. (Willie) Williams, 29, has been head trainer since 1960. He is a 1958 graduate of CU, working four years as a student trainer, receiving his degree in physical education then continuing for a certificate in physical therapy. Williams was assistant trainer at Air Force Academy for one year before returning to CU as head man in 1960. In 1964, Lloyd served as a trainer for the U.S. Winter Olympic squad at Innsbruck, Austria. He is a native of Lamar, Colo., married, and the father of two children, Lisa, 8, and Terrell, 6.

EQUIPMENT MANAGER LEE AKINS

Here's the real veteran of the Colorado athletic department. Lee Akins, known to all Buff athletes as "Silver" because of his silvery locks, has been equipment manager since 1936 and has been employed by the University since 1920. He's without a doubt the best-loved member of the department and counts every boy who has ever turned out for any sport at Colorado as a staunch friend. He's seen every Colorado football game since 1936.

SPORTS INFORMATION DIRECTOR FRED CASOTTI

Fred Casotti, 41, has been sports information director at Colorado since 1952. He's a 1949 graduate of the Colorado college of journalism, worked as assistant sports editor of the Council Bluffs (Ia.) Nonpareil before returning to his alma mater. He's a native of Fraser, Iowa, married and the father of two daughters: Candy, 17, and Christy, 14.

EDDIE CROWDER

Athletic Director and Head Football Coach

Eddie Crowder, 34, was a popular choice to succeed Dean Harry Carlson as athletic director when the latter retired July 1 after 37 years in this important role.

Crowder was named as the successor to Carlson by the Board of Regents last November as he was completing his second season as head football coach.

Eddie served his apprenticeship as a player and assistant under one of the nation's most successful men ever to handle the combined football coach-athletic director role, Bud Wilkinson of Oklahoma.

A skillful handler of men, Crowder moved into the athletic directorship smoothly after working closely with Carlson in the latter's final six months on the job.

Crowder's athletic background is outstanding.

As a split-T quarterback at Oklahoma in 1950-51-52, he was one of the finest ever to perform in the Big Eight conference.

For eight years before taking the CU head football job Jan. 2, 1963, he served on two great coaching staffs—one year (1955) at Army under Red Blaik and seven more (1956-62) at Oklahoma under Wilkinson.

Despite identical 2-8 records in his first two seasons at Colorado, his Buffalo teams have won the solid respect of friends and foes with their sound, hard play.

Eddie is a native of Arkansas City, Kans., was raised in Muskogee, Okla., where he was graduated from Central high school in 1949.

At Oklahoma, he was an understudy to Claude Arnold on the 1950 national champions, then stepped in as the starting quarterback for the 1951 and 52 seasons, leading the Sooners to 8-2-0 and 8-1-1 records. In his senior year he was named to the All-American and All-Big Seven teams.

Crowder received his degree in geology at Oklahoma in 1955 after a 2-year interruption during which he served in the army engineers, playing quarterback on the Fort Hood, Texas, team in 1953 and serving as backfield coach there in 1954.

RADO STAFF

DALLAS WARD

Assistant Athletic Director

A greatly respected and vital member of the Colorado athletic scene since 1948 when he came to CU as head football coach, Dallas Ward, 59, begins his third year in his present capacity after surviving a major heart attack last February.

Ward has been an assistant athletic director with special responsibilities in football since January, 1963.

Although he will be unable to give special help on the practice field, as he has for the past two falls, he will continue to handle many off-field football situations.

Ward built Colorado into a national football power during his 11 years as head coach (1948-58), was a professor of physical education for the next three years (1959-61), and served as an assistant coach in 1962.

In 11 years his Colorado teams had an excellent 63-41-6 record and his 1956 team was the Orange Bowl champion.

An extensive football background as a player at Oregon State, assistant at Minnesota, and head coach at Colorado makes him a valuable member of Colorado's football program.

Ward is a native of Lexington, Ore., and a 1927 graduate of Oregon State where he was a 3-sport star (football, basketball, baseball) who captained all three teams. He was an All-Pacific Coast Conference end.

RUDY FELDMAN

Chief Assistant Coach

Rudy Feldman, 33, serves as chief assistant to Eddie Crowder, the only assistant with a specific title. The two men worked together on the Oklahoma coaching staff for five years before coming to Colorado in 1963.

Feldman has a solid background in football beginning with his undergraduate career as a guard at UCLA where he was a star on the late Red Sanders' squads in 1951-52-53. During his senior year he captained the Uclan team which bowed to Michigan State, 20-28, in the Jan. 1, 1954, Rose Bowl game.

While in the army from 1954 to 1956 he was head coach at the Fort Hood, Tex., team in 1954.

Feldman began his college coaching career in 1957 as a member of Jim Myers' Iowa State staff. The following year he joined the Oklahoma staff.

A native of San Francisco and graduate of Palo Alto high, Feldman was born May 18, 1932. He and his wife, the former Joanne Thorne of Altadena, are the parents of two sons, Kirk (born Sept. 30, 1957) and Kent (born Dec. 27, 1960), and a daughter, Lisa Jayne (born Oct. 30, 1964).

COLORADO ASSISTANTS

Freshman Coach Dan Stavely

Popular Dan Stavely returned as freshman coach at Colorado under Eddie Crowder. Stavely occupied the same position in 1958 under Dallas Ward.

Stavely is a 1936 graduate of Denver University where he starred in both football and wrestling.

His coaching career started at Aguilar, Colo., high in 1936, continued at Johnstown, Colo., high for the next three years (1937-39), moved into the college field as he was on the Denver staff three years (1940-41-46), was in the Air Force from 1942-46.

Stavely assisted at Eastern Washington College of Education two years (1947-48), was on the staff at Washington State the next nine (1949-57). After the 1958 season at Colorado, he joined the Stanford staff where he was during the past four seasons.

Stavely was born at Cortez, Colo., Nov. 22, 1913, and is a graduate of Olathe, Colo., high school. He and his wife, Lucille, are the parents of two children, Kathy, 18, and John, 14.

Chet Franklin

Chet Franklin, 30, also accompanied Eddie Crowder to Colorado from the Oklahoma staff.

Franklin was a fine guard at Utah under Jack Curtice for three years (1954-55-56), captaining the team as a senior. After his graduation from Utah in 1957 he served two years in the Marine Corps.

He received his master's degree in education at Stanford in 1960, working on the football staff of Curtice in 1959.

Franklin went to Oklahoma from Stanford and worked with Crowder under Bud Wilkinson during the 1960-61-62 seasons.

A native of Ontario, Ore., and graduate of Elko, Nev., high, he was born March 19, 1935. He is married to the former Ann Saunders of Norman, Okla.

Joe Harper

Joe Harper, 29, is one of three former UCLA players selected as assistants by Eddie Crowder.

Harper was a tough, little guard at UCLA, playing for the late Red Sanders during his first two seasons, 1956-57, and Bill Barnes, as a senior in 1958.

He began his coaching career as a graduate assistant under Barnes in 1959 before becoming head coach at Riverside junior college in 1960. In 1961, he served as line coach at Colorado State University. Last fall he was line coach at the University of California at Santa Barbara.

A native of Glendale, Calif., and graduate of Glendale high, he was born July 8, 1936. He and his wife, the former Jean Erickson of Glendale, are the parents of two sons, Bradley (born Sept. 25, 1960) and Daniel (born July 26, 1962).

COLORADO ASSISTANTS

Bill Mondt

Former CU line star Bill Mondt, 28, joined the Colorado staff Apr. 1, 1964, after five years experience in the high school ranks.

Mondt, a 1959 graduate in mechanical engineering, was a starting guard on Colorado teams in 1956-57-58 and a Big Eight All-Academic selection as a senior.

He was assistant coach at Washington high in Kansas City, Kans. for two years, then head coach at Air Academy high for the last three years with his 1962 team winning the Colorado AA championship.

Mondt is a native of Hardin, Colo., was valedictorian of his class at Kersey high, and attended CU on an academic scholarship.

He is married to the former Jo Ann Wagner of Greeley and they have two daughters, Tracey Jo (born Mar. 8, 1960) and Terri Ann (born Jan. 18, 1963.)

Pat Culpepper

The newest regular member of the CU coaching staff, Pat Culpepper, is a former Texas great who earned all-star honors as a ferocious linebacker for the Longhorns in 1960-61-62.

Culpepper, 24, joined the Buff staff in time for spring drills last April. Before that he had served for the two years following his graduation on Darrell Royal's Texas staff.

As a collegian, Culpepper was a fullback who was best known as a brilliant linebacker who co-captained the Longhorns to an undefeated campaign as a senior when he won all-Southwest conference and Academic All-American laurels.

Culpepper, a dedicated and intense student of football, fits perfectly in Eddie Crowder's excellent staff.

He is single and a native of Cleburne, Texas.

COLORADO'S COACHES

Eddie Crowder, appointed Jan. 2, 1963, is the 17th man to head Colorado's football program.

He succeeded Bud Davis, who resigned immediately following the final game of 1962. Davis had succeeded Sonny Grandelius when the latter was dismissed following the 1961 season.

Longest tenure by a Colorado coach was Fred Folsom's 15 years, compiled during three different periods. Myron Witham coached Colorado for the most consecutive years, 12 from 1920-31.

Three men have coached Colorado bowl teams. Bunny Oakes' 1937 squad bowed to Rice in the 1938 Cotton Bowl, 14-28; Dal Ward's 1956 team won the 1957 Orange Bowl, 27-21, over Clemson; and Grandelius' 1961 team bowed to Louisiana State, 7-25, in the 1962 Orange Bowl.

THESE BUFFALOES EARNED

HB Byron (Whizzer) White, 1937

Colorado's first All-American and one of the greatest products in the history of the school, Byron (Whizzer) White is now an associate justice of the Supreme Court. He was appointed to that position in March, 1962. White made all the All-American teams after a brilliant 1937 season in which he led CU to an 8-0 record and Cotton Bowl bid as he set national records with 1121 rushing yards and 122 points. Those marks, erased nationally only after colleges went to a 10-game schedule, still stand as CU records. White was a Phi Beta Kappa, Rhodes Scholar, 2-time All-Pro halfback with Pittsburgh then Detroit, leading graduate of the Yale Law School in 1946, decorated naval intelligence officer in World War II, leading Denver attorney, and deputy attorney general.

End Don Branby, 1952

A 3-sport star in 1950-51-52 (football, baseball, basketball), Don Branby was named to the Associated Press All-American defensive team as a senior following a brilliant campaign. One of the finest defensive terminals in CU history, Branby had his finest afternoon in the 21-21 tie with Oklahoma as he led a savage charge which almost toppled the Sooners. Although he was primarily a defensive specialist, Don was a solid all-around performer who played excellently on several occasions when called upon. He is currently a member of the Ottawa coaching staff in the Canadian Professional league after having served as an assistant previously at Montana and the British Columbia Lions.

FB John Bayuk, 1956

One of CU's most colorful modern-day players, John Bayuk wore the nickname of "The Beast," a handle pinned on him by an unidentified little old lady at Lawrence, Kans. following a crushing performance against the Jayhawkers in his sophomore season, 1954. Bayuk's bruising power and good speed were made to order for the fullback trap plays in Coach Dal Ward's single wing offense and he rolled to 1943 yards in three seasons (824, 460, and 659). Bayuk capped a great CU career by grinding out huge chunks of yardage before finally scoring the winning touchdown in the Buff's come-from-behind 27-21 win over Clemson in the Orange Bowl. He was named to the 1956 Sports Illustrated All-America first team. John is now a coach in the Denver area.

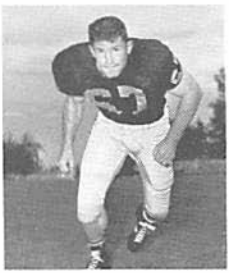

ALL-AMERICA HONORS

HB Bob Stransky, 1957

A "do-everything" tailback who excelled both offensively and defensively, Bob Stransky was named to the Football Writers' All-America first squad after a great senior season in which he finished second among the nation's groundgainers with 1097 yards, second only to Whizzer White's CU record total. Stransky was also a 60 percent passer and a top interceptor and kick returner. He rushed for 1868 yards during his career at CU. Following a brief professional career with Baltimore and Denver, he joined the Denver school system where he is now teaching and coaching.

Guard Joe Romig, 1960-61

The only 2-time All-American in Colorado history, Joe Romig was a consensus selection both years. He made nine teams as a junior and 11 as a senior. Like Whizzer White, Romig was also a tremendous student, logging straight A's in his last six semesters and building a 3.9 grade point average. Romig had no peer as a linebacker as he ranged far and fiercely from his middle position behind a 4-man line. Fast (he was an all-state prep fullback) and strong, he was a deadly tackler consistently in on most of the stops. Offensively, he developed into an excellent straight-ahead and pulling blocker. Like White, he was an inspirational leader gifted with extraordinary physical and mental ability. A Rhodes Scholar, Joe received his master's degree in physics at Oxford College in England last summer and is currently working on his doctorate at Colorado.

Guard John Wooten, 1958

Big John Wooten, a quick, agile giant, provided the bonecrunching lead blocks in 1956-57-58 as Colorado featured one of the finest offensive machines in the nation during that period. Wooten was a savage blocker, utilizing his size and mobility to knock defenders out of the way. On defense, he was one of Colorado's best up front, generally playing at tackle. John was a sophomore star on Colorado's 1956 Orange Bowl champions and was named to the Football Coaches' All-America team in 1958. He is currently a regular offensive guard for the Cleveland Browns.

End Jerry Hillebrand, 1961

Jerry Hillebrand's great physical abilities and versatility earned him a berth on the 1961 Football Writers' All-America team and the number one draft choice of the New York Giants. Big and quick at 6-4 and 235, he was a good blocker, an excellent receiver, a tough defensive end, and a fine placekicker. He led Colorado in receiving and scoring and continually came up with the big play for the Buffaloes. His 54-yard field goal set school and Big Eight records and was the longest kicked in the nation in 1961. He caught four touchdown passes, kicked 14 of 18 extra points and three field goals. He is currently a member of the New York Giants football squad.
